

Modern Languages @ Dalkeith High School

Pathways in Dalkeith High School and beyond

Why choose languages:

Learning new languages brings many fantastic benefits to a young person's life. Language skills can not only open doors to travel and work opportunities but also help your confidence, improve knowledge of your own language, broaden your horizons or develop skills such as problem solving or coping with difficult tasks or situations.

Language skills will give you a competitive edge in the job market and are particularly useful in Business, Management, Law, Marketing, Administration, Medical careers, and Journalism. Britain has a national shortage of employees at all levels with language skills.

Potential careers:

Translator/interpreter, teacher, blogger/content creator, game translator, customer service representative, sales representative, tour guide, travel agent, flight attendant, academic researcher, import specialist, journalist, human resources specialist, communications officer, lawyer/solicitor, tourist information manager, brand specialist....
