

DALKEITH HIGH SCHOOL

January 2026: S3 to S4 Senior Phase Option Sheet

Name: _____

Class: _____

Career interest(s) and plans for getting there:

Instructions for completion

Everyone studies English and Maths so these subjects are not included here. Choose eight further subjects, marking the subjects in order of priority, 1 to 8. Number 1 is the subject most important to you. Numbers 6, 7 and 8 are your reserve subjects. You may be allocated one or more of your reserve subjects.

Levels 5 Exam-based Subjects (No exam if course completed at level 4)		Subjects at Levels 4 and 5 without an exam (No exam, no matter the level)	
	1 to 8		1 to 8

	Hospitality
COLLEGE COURSES	
See Edinburgh College website, and the school website, for details of courses.	
Name of college course:	

Advice

- Before making your choices, read the course descriptions in the option booklet, and look through the materials on the school website
- You are advised to choose from subjects studied in S3, but application is also encouraged for any of the new courses introduced for S4
- YOU WANT TO FOLLOW A COMPUTING/SOFTWARE COURSE? Read the advice in the option booklet under 'Computing Course Provision'. Consider selecting one of the college courses. (Indicate in main table above.) A limited number of places may become available on another school's computing science course - if you wish to be considered, tick here _____. If ticking here, you must still select 8 further subjects from the school and college offer.
- Note that the running of any course depends on pupil uptake and the constraints of the timetable
