

Dalkeith High School

CURRICULUM PATHWAYS EVENING

11 November 2025, 5pm - 7pm

Welcome to Dalkeith High School's Curriculum Pathways Evening. Tonight we will provide you with information about the pathways through the subjects and experiences the school and our partners can offer young people. This advice and information will supplement the new Spotlight job fair sessions running in Midlothian schools over the course of the next few weeks, allowing young people to plan for the years ahead.

Tonight you will find stalls manned by teachers from all the departments in the school. In addition, talks will be given on the design of our S3 and senior phase curriculum structures.

The programme for the evening is overleaf.

5 to 7 p.m. Dining Hall and Ballerina area
